Single-Family Home, Owner-Occupied

The **Kansas Department of Health and Environment** can assist you with **“Free”** stabilization of surfaces containing lead-based paint in order to prevent lead poisoning in young children. A state-licensed risk assessor will determine the services needed to stabilize the lead-based paint in your home. Types of work may include specialized cleaning, wet scraping and repainting, replacement, encapsulation, or enclosure. State-licensed lead abatement contractors will perform all work.

You may qualify if:

- ✓ You own and occupy a home in Wyandotte County that was built before 1978. Primary consideration will be given to the following zip codes: 66101, 66102, 66103, 66104, 66105, 66106, 66111, and 66112.
- ✓ Your household income is \leq 80% of the area's median income.
- ✓ You have a child less than 6 years of age who lives in your home or visits your home more than 10 hours every week.

If you answered, **“YES”** to all of the above, complete the following:

- ☐ **All** portions of the application form. **Sign and date** the application form in Part D.
- ☐ Attach copies of **Proof of Income** from all adults living in the household. (Most recent income tax returns preferred.)
- ☐ Attach a copy of **Proof of Ownership** of your home. (Deed or property tax statement)
- ☐ Attach a copy of **Proof of the Year the House was Built**. (Wyandotte Co. Appraiser)
- ☐ Attach a copy of the **birth certificate** for each child under the age of 6.
- ☐ **All** Children under age 6 must have a **recent blood test for lead** before work can begin on the property. (Blood lead tests obtained within 6 months of initiation of the work are acceptable.)
- ☐ **Mail or deliver** the application form and all required documents to the Project Lead-Safe Office (see address above) or to the Wyandotte County Health Department, Office of Environmental Services, 619 Ann Avenue, Room 321, Kansas City, KS 66101.

Office Use Only

Case Number _____ Priority _____

- ☐ **Attach copies of Proof of Income.** Verification papers are required for all forms of household income. Examples are: **Income tax returns, award letters, paycheck stubs, W2's, etc.**

Part C

The following listed children, who are less than 6 years of age, live in or frequently visit the property located at _____ owned by _____ and are in this residence at least 10 hours every week.

Name of Child

(Last, First)

Birth Date

(mm/dd/yy)

Your Relationship to Child

(Father, Mother, Grandparent, etc.)

_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

I, _____ do attest to the fact that the above statement is true and that the children listed above do live in or frequently visit the property listed above at least 10 hours every week. I understand that the ***children listed above must have their blood tested for lead before lead work can begin on that property***, and I agree to have those children tested through their health care provider or by the Wyandotte County Health Department and provide the results of those blood tests to Project Lead-Safe KCK staff before work can begin on the property. I also agree to provide copies of birth certificates for each of the above listed children as proof of their age.

- ☐ Attach copies of **Birth Certificates** for all children less than 6 years old. (For children born in Kansas, contact the KDHE Office of Vital Statistics, Curtis State Office Bldg., Suite 120, Topeka, KS 66612.)

Part D

I hereby make application to Project Lead-Safe KCK for work on the above-listed property. I certify that I am the owner and occupant of the property, and that the income I stated in PART B represents my total income for the past year preceding this application, including the income of all other persons in the home. The income information provided in PART B is subject to verification by the State of Kansas. Upon request, I agree to submit copies of federal income tax returns, and am aware that employers may be contacted to verify income received as a result of employment.

I hereby grant permission to Project Lead-Safe KCK supervisors, inspectors, employees, and contractors to enter the premises listed in PART A to perform work under Project Lead-Safe KCK. I hold the State of Kansas harmless from any legal or financial claim arising from the performance of such work.

I, the undersigned, do hereby swear that all information contained on the application is true and correct to the best of my knowledge and belief.

Common Questions

How do I determine when my home was built?

If you need proof of when your home was built, please contact the Wyandotte County Appraiser's Office at 9400 State Avenue. The phone number is **913-287-2641**. Just ask for a printout showing the year the house was built. There is no cost to obtain this printout, which may also serve as proof of ownership.

Where do I go for proof of home ownership?

If you want to obtain a copy of your most recent property tax statement to submit as proof of ownership, please contact the Wyandotte County Treasurer at 913-573-2823. There is no charge to obtain this record.

What do I do to get my child tested for lead? Call your doctor or clinic. If you do not have a doctor, call the Health Department at **913-573-6780**.

How do I get a copy of my child's birth certificate?

If you need a birth certificate for a child under age 6, please contact the state where the child was born. If the child was born in Kansas, you can get an application form at the Project Lead-Safe KCK office. Application forms must be sent to the KDHE Office of Vital Statistics, 1000 SW Jackson, Suite 120, Topeka, KS, 66612-2221. The cost is \$12 for one copy and \$7 for each additional copy of the certificate.

If you have any other questions:

If you need help or have any other questions about this application form, please call the Project Lead-Safe KCK staff at **913-262-0796**.
